

87th Street & CSX Grade Separation

Fact Sheet

Project Number: GS20

Location: 87th Street at Rockwell Street (west of the 87th Street/Western Avenue intersection) in the City of Chicago

Scope of Work: The project will consider eliminating the at-grade crossing of 87th Street by two CSX tracks. This will be accomplished by creating either an overpass or underpass for vehicles using 87th Street at this location.

Daily Trains Affected:

- 22 freight trains

Benefits: Daily, 32,000 vehicles and 193 CTA buses (#87) pass through the crossing. Over 3,000 vehicles are delayed at this location daily, resulting in 43,070 annual motorist hours of delay that would be alleviated by this project. This project will reduce roadway congestion and improve safety at this location.

Communities Benefited

- Chicago – Ashburn community area

Project Status:

Phase I – NEPA – Preliminary Design (30% Design)	Phase II – Final PS&E*	Phase III - Construction
<i>Pending Funding Availability</i>
