

Get On Board

Business-to-Business Networking Event

November 1, 2023
8:30 am - 1:00 pm

Kennedy King College
6301 Halsted Street, Chicago

The CREATE Program's Get On Board events foster networking for certified Disadvantaged Business Enterprise (DBE) and other MBE or WBE businesses with rail-industry contractors specializing in engineering, design and construction. At this half-day event, you will have the opportunity to:

- Learn about DBE success stories from business owners working on the CREATE Program.
- Connect your company with experienced business owners partnering with major rail industry firms and learn about bid opportunities.
- Attend a workshop on how to become a certified railroad contractor/consultant and how to become DBE certified.

Whether you're a long-term collaborator or new to working with the CREATE Program, you'll want to join us to see how CREATE can benefit you!

Participants
