## BELL AVENUE CONSTRUCTION

**Prep Work begins July 18<sup>th</sup> and 19<sup>th</sup>  
Construction Work Starts  
August 1, 2023**

Construction work will begin on building a retaining wall including new security fencing and guardrails. Completion of the project is targeted for November 2023.

Work will take place in the alley between **68<sup>th</sup> and Marquette Avenue**, Monday - Friday, during the hours of 7:00 AM - 3:30 PM, weather permitting.

Please be aware you may see crews working in your neighborhood. Prep work will require crews to access each homeowner's private property to perform building inspections and the installation of seismographs on some homeowner's yards.
