

# GET ON BOARD

## Join Us For a Virtual Business-to-Business Networking Event

Get On Board fosters networking between certified Disadvantaged Business Enterprises (DBEs), small businesses and rail-industry prime contractors specializing in engineering, design and construction. Railroad supplier diversity and procurement professionals will provide information and answer questions during the virtual event.

This event has  
been rescheduled...

**UPDATE YOUR  
CALENDARS  
TODAY!**

More details  
to follow

→ **When: Week of April 26**  
**Where: Virtual**

This year the CREATE partners will host panels on **Upcoming Work with the CREATE Program, Working with the Railroads, and Securing Work with Public Agencies**. Networking sessions will also be offered! You can sign up to attend some of the panels and networking sessions or all of them.

**It all starts on Monday, April 26, at 10am!**
