

# Join us for the **CREATE Opportunities Announcement Virtual Event**

Join us for the Chicago Region Environment and Transportation Efficiency (CREATE) Opportunities Announcement virtual event taking place on Thursday, September 19 at 12:00 pm. During the event, the CREATE Program partners will provide an update to potential contractors, consultants and suppliers on project bid opportunities and processes for the overall CREATE Program. The event will also provide interested parties an opportunity to learn more about the CREATE Program. The event will be hosted virtually through Zoom. Registration is required.

The CREATE Opportunities Announcement virtual event serves as an ongoing effort by the CREATE Program partners to provide an update on procurement opportunities to certified Disadvantaged Business Enterprises (DBEs), small businesses and rail-industry prime contractors specializing in engineering, design and construction.

**Thursday, September 19, 2024**  
**12:00 pm to 1:00 pm**  
**Virtual (Zoom)**
